

TESTIMONIALS

Barbara Cohen, Animal Cancer Foundation

"Determination, dedication, devotion to the community and one another, that's what is required to host the multi-year Paws 4 A Cause event that raises funds for the American Cancer Society and for us at Animal Cancer Foundation. Each year, you inspire your community and us with all you are able to accomplish. You demonstrate that a few good people can indeed change the world. Please know that your efforts never go unrecognized and that your efforts allow us to fund more research to help our four-legged friends and people too."

Heather Williams, Blue Pearl Pet Hospital

"We were honored to be the Paws 4 A Cause Presenting Sponsor for their 4th annual event! The event allowed us to grow even closer to our Olympia community and establish increased name recognition, all while supporting a cause that means so much to our hospital. The marketing team fulfilled every promise made to us as a presenting sponsor, and more! We are so grateful to be honorary members of the Cancer Fighters team."

Lisa Bell, Olympia Veterinary Hospital

"Olympia Veterinary Hospital is proud to be a sponsor and participant at Paws 4 A Cause. Each year, we look forward to holding a booth and connecting with so many wonderful people and pets from our community! These events not only bring awareness to important causes, but they also highlight the strength, generosity, and heart of Olympia. We love being part of something that gives back and creates such a positive impact. Supporting Paws 4 A Cause is an extension of our mission to care for animals and strengthen the community we serve."

Debbie Kilmer, Concern for Animals

"We couldn't be more thrilled with the experience we've had at Paws 4 A Cause over the years. Last year, the energy was incredible (as was the weather), and it was so inspiring to see how well-supported and attended the event was by the community and the sponsors alike. Seeing everyone rally together for a great cause—with some seriously cute doggos leading the way—was a true joy. It is our honor to be able to attend and support an event that does so much good. We are beyond excited to join in the fun again next year."

Heather Moore, Moore-Art Photography

"Paws 4 A Cause is truly one of my favorite events of the year. I've had the joy of running a fun photo booth for the last 3 years for the amazing dogs (and their people!) who come out to support the cause, and every year I look forward to seeing familiar faces as well as meeting new pets and their families. The event is always full of energy, with an incredible turnout from the community, wonderful dog-related vendors, rescues, and businesses—all united around such an important mission: raising awareness and support for cancer research for both pets and people. The organizers and volunteers are always so kind, helpful, and dedicated, which makes being a part of this event an absolute pleasure. I'm already counting down to next year!"

DeAdra Benton, Mama Sumuji Crafts

"Congratulations on the funds raised! We had a great time as one of the vendors participating in this year's event! (This was my 2nd year.) The volunteers are all so helpful and friendly. Organization and marketing for the event were awesome. I will definitely be back next year! I've already got it on my calendar."

Di Agee, Adopt-a-Pet Shelton

"We want to thank you for hosting a great event! It was a productive day that produced many new contacts. It's also nice to see our partners in rescue! Congratulations on the amazing funds you raised for a cause near and dear to our hearts."
